ination was not generally regarded as fair, that the right of fourteen hundred human beings she was seen from the shore by thousands of Mr. Laird's case to the Attorney-General, or shall thus be arraigned and tried for the outrage, Gen. J. M. Tuttle (now in the U. S. service) to themselves—their right to be men, not cattle persons." [Mr. Cobden—"She had no clear- the Grand Jury, we will only add the further you will hear no more of the "shricks" aforehas been while covered with slaves—that the federate Government t) was probably some ccr- at least we shall get the truth about any vessels would that men should do to you do ye even so to them."

A FIGHT APAR OFF.

The Hon. S. S. Cox recently made a cop as follows:

The Parkersburg Gazette of the 13th inst. has the following glowing account of the natural re-

Yanceys, the Bickleys, &c., conspire to subvert reign. Let us be quite sure we know what we ernment for redress to the decision of Lincoln that an citizen of New-York State shall be taken out of

Answer .- The Age's quoted paragraph states

next County Court. When it is established by

-Here is Mr. P. K.'s exposition:

"We do not wish negroes should free us, so under the precept, or by the precept, are not bound to free them. It is only
what we wish others should do unto us, that we are commanded to do unto them. The precept applies only to reciprocal duties and none else."

-We wonder how this genius has so long

"Mr. Anderson is of that school who care more for the ter-
